Nantong and Siena of Italy became sister cities

By Lu Zhaoxin

Nantong’s international sister city ‘friend circle’ is growing. This year is the 50th year since China and Italy established diplomatic relations. On 18 August, witnessed by consul general of China in Florence Wang Wengang, Nantong and Siena of Italy held on-line signage event to become sister cities. Deputy Secretary of Nantong CPC Committee and Mayor Wang Hui and mayor of Siena Luigi De Mossi signed *agreement on establishing sister city relationship*.

This March, when Covid-19 was spreading in the world, knowing that there was shortage of material in Siena, Nantong donated masks, sachets and other epidemic control materials in time, several doctors purchased epidemic control equipment together and posted to Siena. Doctors of Affiliated Hospital of Nantong University who were studying there stayed in Siena and participated in epidemic control work. The two cities had further cooperation and improved relationship fighting the epidemic together.

On the day, Nantong Tieren Sports Goods Co., Ltd. and Siena Mensanello sports association signed cooperation memo about Chinese Athletic Association overseas training base project.

‘Zhang Jian Cup’ excellent entrepreneurs’ talks about experiences

2019 ‘Zhang Jian Cup’ outstanding entrepreneur and board chairman of Zhongnan Group Chen Jinshi: Grab opportunities, develop the company with all means

By Yu Huijuan

Board chairman of Zhongnan Holding Group Co., Ltd. Chen Jinshi is an entrepreneur from Zhang Jian’s hometown, Changle town of Haimen. Starting from construction project, he created a listed company with over 100 billion Yuan total capital and over 70 thousand employees.

Chen Jinshi said that general secretary Xi had great expectations on entrepreneurs, hoped that they could realize more

development while implementing company aid and beneficial policies, take social responsibilities. ‘I have felt that CPC and the state are caring and supporting us entrepreneurs. We shall develop the company with all means.’

As Zhang Jian’s fellow townsman and inferior, Chen Jinshi said that

Zhongnan group will develop traditional major industries like construction and real estate, and cultivate new emerging industries including artificial intelligence, new energy and new materials. ‘Use best system, best reward, most excellent talent, most strict evaluation to achieve best efficiency and profit, make Zhongnan alive and energetic.’

Suxitong Science and Technology Industrial Park flexible folding screen glass substrate project signed successfully

By Zhu Wenjun

On 17 August, Shanghai Shangchuan Technology Co. Ltd and Suxitong Science and Technology Industrial Park signed investment agreement, they will invest 6 billion Yuan to build flexible folding screen glass substrate project whose annual production is 50 million pieces together with Sutterson Co., Ltd. in Korea. Chen Guohua’s calligraphy and art trip in Beijing

By Song Jie

Last week, Nantong calligrapher Chen Guohua was invited by director of office of Beijing municipal leading group for poverty reduction cooperation and assistance Ma Xinming, created a batch of calligraphy works including ‘walking with love’, distributed to departments of office of Beijing municipal leading group for poverty reduction cooperation and assistance, which expressed the feelings of an art and culture worker.

If you take note you will discover that apart from poverty reduction work, in some diplomatic occasions, in fields such as education, culture, business and charity, you can find the presence of the 63 year old calligrapher Chen Guohua. After he retired, he had the chance to return to his hometown and look after his grandson, but he went

Chen Guohua and his overseas students

Liu Yi, Zhang Deyu and other masters. No matter how busy he was, after he went home after work, he always practiced calligraphy, sometimes he was so tired that he fell asleep with clothes on, but when he woke up at midnight, he would grab the writing brush to write. Day after day he had some achievements, had his unique style after absorbing traditional calligraphy, and

became a member of China Calligraphers Association. His works are stored in places like The Great Hall of the People.

In cultural and art circle in Beijing, Chen Guohua is a calligraphy who is excellent in both calligraphy and morality. He is enthusiastic about public welfare work. As long as there is positive activity, he always participates actively and never cares about personal gain and loss.
