

An aerial photograph of a traditional Chinese pavilion with a multi-tiered, dark grey tiled roof and red pillars, situated on a small island in a large body of water. The pavilion is surrounded by a long, winding wooden walkway with railings. In the background, a dense line of green trees separates the water from a city skyline featuring various modern buildings and a prominent tower. A stone bridge with multiple arches is visible on the left side of the image. The sky is blue with scattered white clouds.
